David was born in the spring and left this world in the fall. These are two seasons whose beauty he deeply appreciated.

After discharging from the Army, he moved to Kansas City, Missouri to complete his bachelor's degree and then met the love of his life, Mary Frances Maylone. Throughout the 50 years of marriage, he was dedicated to his family, friends, his volunteer work, his involvement at his church and his career with Missouri Gas Energy of 38 years. He touched many hearts throughout his career with his genuine interest in others. His family remembers him sharing many stories of meaningful encounters, as he took the time to get to know others when he entered their homes on his route.

Friends, family, and acquaintances described David as extremely kind, compassionate, always willing to help others, and one who saw the good in everyone, and he sure knew how to have a great time. He was loyal to his family, friends, and most of his faith in Christ. He saw the light in others and shared his light with everyone he met.
